### Summer Term 1 2021

Dear Parents & Carers,

It has been lovely to welcome back the children after the Easter break. The Summer term ahead will be busy with learning and summer events. A full list of dates for your diary is included on this update although the format for some traditional events will still be subject to social distancing and COVID rules to keep everyone safe.

#### Clubs

Our after school clubs have now started for all year groups. Of course demand is high. So please understand that we will have chance for children who couldn't get on the club this time after May half term. Watch out for the email and text reminders before half term.

#### Parent workshop

Thank you to those parents of children in year one and year two that were able to attend the reading workshop on Tuesday. We hope that you found it useful.

#### Forest School Lessons

Our weekly forest school lessons for our year three children have started this week. This is intended to encourage outdoor learning for the children based in the school garden and allotment areas.

#### Year Six Bubble Closure

Our year six children have been taught using remote learning this week and are due to return to school on Tuesday 4th May. If your child is tested for COVID please do keep the office updated with results.
