Dear Parents and Carers,

I am absolutely delighted and honoured to have been appointed as the new Headteacher for St. Paul's, I have been very fortunate to have been able to visit St. Paul's weekly since September in order to ensure a smooth transition of leadership. I am now very keen to get to know parents, pupils and staff.

I have worked within Salford Local Authority for 22 years and from my experience of being a deputy headteacher for many years, I know that a successful and happy school depends on all of us working together.

St. Paul's has a history of excellence and is an extremely happy place to learn. I am looking forward to finding out more about the school so that any changes we make in this new chapter are supported by the whole school community.

Parents make an important contribution to children's achievements at school, and I want to develop the relationship between the school and parents for everyone's benefit. I am aware that many of you are likely to bring your children to school and collect them, therefore I will be available in the playground before and after school, please come and say hello.

If you prefer, you're also welcome to contact me by email or phone via the school office.

Yours sincerely,

Ms R. Knipe
Headteacher
