£2,021

raised of £2,021 target by 137 supporters

Message from Mr Hunter –

Thank you all so much for your kind donations towards my cycling event.

This year, I have cycled 2021 miles in the hope of trying to raise £2021. The aim of the fundraiser was to always give back to the children. After a difficult two years for all, I wanted to bring joy to the children of St Paul's. The support from family, friends, colleagues, strangers and the school community has been truly inspirational.

Our children now have £2021 to enjoy thanks to all those who kindly donated.

Competitive sports are back and we are thrilled!!!

Our Year 6 football team represented school with passion, determination and enthusiasm.

The team played their first two games of the Worsley League. They started the evening with a 3 – 0 defeat against St Edmund's, but came back strong for a second match against Bridgewater winning 4 – 0.

Great work team!!! I think it's safe to say that Tom's free kick rivalled that of any Premier League player!

Lledr Hall -

Year 6 children had lots of fun on their residential trip to Lledr Hall. Like always, all children overcame some barriers to tackle some very challenging outdoor activities.

Year 6, it was a great trip and we hope you had as much fun as the teachers did!

Bikeability -

Thank you to the team at Bikeability for working with our Year 5 class to understand the importance of road safety whilst cycling.

You all braved Manchester's finest weather! Well done!
