Autumn Term 1 2021

A Warm Welcome

I would like to start by saying a hearty welcome back to all those children returning to St. Paul's this new school year and an equally warm welcome to all our new friends who are starting their journeys here with us this term.

Can I also take this opportunity to say a huge thank you to all the parents and carers that I have met and have given me such a warm welcome at St. Paul's. It has been a great start to the year getting to know and work with your fantastic children and a delight to welcome our new nursery children that have come to school for the very first time this week!

If you ever do want to talk to me please come and say hello when I am on gate duty each day. Or you can email/telephone the office any questions you may have and I can call you back.

Mr Bailey

School Office

Unfortunately, we have a couple of absences in the school office at the moment and poor Mrs Ahmed is juggling quite a few plates to keep things running smoothly. She is currently ensuring the Parent Pay and School Grid is up to date and ready to use ASAP. Thank you for your patience and understanding during this very busy period.

Uniform

School uniform can be ordered via the school website. There are a few items awaiting delivery to school - as soon as these arrive we will deliver them to your child's classroom for them to bring home.

Coats and Water Bottles

Glorious sunshine one minute, thunderstorms then next! During this unpredictable weather season can we ask that children bring a water bottle to school to keep them hydrated but also a coat for those times the rain decides to try and hydrate the children for us!

Twitter

As with last year, we will be using twitter (which you can access from the school website) to keep you up to date with your children's learning – don't forget to check it out to see the exciting topics the children are learning about this term!

Clubs

A letter will be coming out today with information about the clubs we are offering this term. Clubs will begin the week starting Monday 20th September.

Mr Hunter's Cycle Update

I have been cycling 2021 mile in 2021 to raise money for school. I have just over 100miles left and aiming to finish by the end of September. Currently at 87% of the target goal for funds.

"Do you have a favourite saying?" asked the boy
 "Yes" said the mole.
 "What is it?"
 "If at first you don't succeed, have some cake."
 "I see," does it work?
 "Every time!"
