

Year 3 Newsletter Summer 2

Hello and welcome back for Summer 2!
We have lots of learning and exciting things planned for our last half term of Year 3, including our trip to The Lowry which we are all looking forward to! The children have worked so hard this year and I feel very lucky to have had such a wonderful class as my first at St Paul's. As always, if you have any queries please contact me on Dojo.
Miss Entwistle

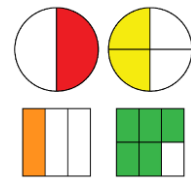

English

In our English lessons this half term, we will be looking at the lovely book 'The Night Gardener', where the children will become storytellers, creating their own version of the story.

We will also be writing a non-fiction piece all about Bees and pollination!

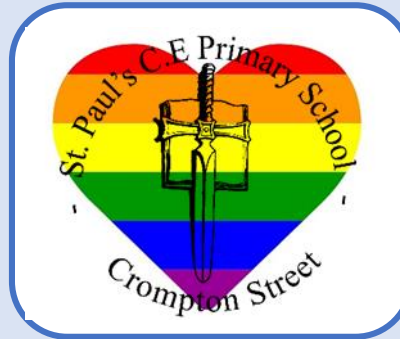

Maths

In Maths in Summer 2, we will be focusing on fractions and decimals and then going into our topic on maths units such as; money, time, shape and measurement.

P.E.

Year 3 will have P.E. on a Thursday and Friday afternoon. Your child's kit should consist of black shorts, black pumps and a red t-shirt. For outdoor sessions long black jogging bottoms, trainers and a sweatshirt can be worn.

R.E.

In RE this half term we will be exploring different religions such as Sikhism and Buddhism and finding out if everyone follows the same rules.

Science

This term our topic is 'How far can you throw your shadow?' This is a physics unit where we will be investigating light and dark. We will be looking at what surfaces are reflective and what causes a shadow.

Reading Books

Reading as regularly as possible to an adult can really help your child's progress. We would like to see your child read a minimum of FIVE times a week, which will be checked every Monday. Once they have read, an adult should sign and date their Reading Record.

Homework

Homework is set every Friday and should be returned by Wednesday. Please encourage your child to complete their homework to a high standard.

History

Our history topic this term is all about Walkden's History of Transport!

We will be researching how transport has changed throughout history. We will be looking at the creation of the Bridgewater Canal and when Queen Victoria came to visit Worsley.
