

## RE Year 3 – Spring 1 Called by God.

### What do I need to know from previous topics?

Jonah tried to run away from God and was swallowed by a big fish.

### What will I need to remember for future learning?

The Prophets were given the task of telling people to change their lives and rebuild their relationship with God.

Some of the Old Testament Prophets are: Moses, Abraham, Jonah, Isaiah, Jeremiah, Samuel and Elijah

People are still called by God to speak out for Him today.

Moses

Jonah

Elijah

Key Vocabulary	Definition
<b>Prophet</b>	The prophets were given the task of telling people to change their lives.
<b>God</b>	God is holy and perfect and longing to have a relationship with his people.
<b>Old Testament</b>	The first part of the Bible, which was completed before Jesus Christ was born.

The Bible  
Jonah 1-3  
Exodus 7-10

# Science Year 3 – Spring 1 How can Usain Bolt move so quickly?

## What will I know by the end of the unit?

Animals, including humans, need the right types and amount of nutrition.	When broken our bones will repair themselves. Doctors use casts or splints to make sure they grow back straight.
Animals, including humans cannot make their own food.	Joints allow the body to make movements. The body has many bones and are connected through the joints.
Humans and some other animals have skeletons and muscles for support, protection and movement.	Marie Curie was born in Poland in 186. She developed a mobile x-ray machine that was used in World War 1. She was the first woman to be awarded a Nobel Prize and the first person to ever be awarded two Nobel Prizes.
Some animals have a spine and these are called vertebrates.	

Key Vocabulary	Definition
Diet	Our bodies need a balanced diet to work properly. This involves drinking enough water and eating healthily.
Nutrition	Nutrition involves drinking enough water and eating the right amount of items from the four main food groups.
Muscles	Muscles are attached to bones by tendons and help them to move. When a muscle contracts it gets shorter and pulls on the bone it is attached to.
Skeleton	The human skeleton is made of bone and grows as we grow. Our skull protects our brain and our ribs protect our heart and lungs.
Food Groups	Food groups include carbohydrates, proteins, fruit and vegetables, dairy and fats and oils.

How your body works?

The fastest man on earth

# Geography Year 3 – Spring Why do so many people choose to go to the Mediterranean for their holidays?

## What do I need to know from previous topics?

Countries close to the equator have warmer climates.	Volcanic regions are found in mountainous areas.
Volcanoes are tourist attractions bringing money and jobs to the area.	Mount Etna is an active volcano which means it is in an almost constant state of activity and can still erupt!

## What will I need to remember for future learning?

The tropics cover the region of the Earth closest to the equator. The weather in the tropics is hot all year round.	Historical landmarks bring a lot of tourists to Mediterranean countries which is good for business.
Mediterranean countries span the continents of Europe, Asia and Africa.	Products can be transported from one country to another. This is called trading.

Key Vocabulary	Definition
Mediterranean	the Mediterranean Sea and the countries around the sea.
tourism	when people travel from where they live to another place for pleasure or relaxation. This can be a day trip or a few days holiday.
temperature	a measure of hotness or coldness. We can show this in degrees Celsius.
landmark	an important building or feature of an area.
Tropic of Cancer Tropic of Capricorn	region of. Earth's surface that is closest to the Equator is called the tropics. Two imaginary lines that circle the globe mark the boundaries of the tropics.

## Key Landmarks

Mount Etna  
The Colosseum

## Key Texts

Kids travel guide to Italy  
Getting to know Italy and Italian

## Antoni Gaudi- Mediterranean tiles (Painting, Textiles and Sculpture)

### What do I need to know from previous topics?

Warm colours are orange, yellow, and red. Blue, purple, and green tend to be cold colours. Warm and cold colours evoke different moods and feelings in a piece of artwork.

Complementary colours sit across from each other on the colour wheel. When placed next to each other, they create a strong contrast.

Sculptures are 3D pieces of artwork that can be made by carving, modelling or placing materials together.

### What will I need to remember for future learning?

Architects are types of artists that plan and design buildings. They may also oversee their construction.

A running stitch can be used to join fabric together or add embroidery and detail to a textile piece of art.

Ceramics such as pots and tiles are made from materials such as clay and have been hardened by heat.

### Key texts

### Key artists and artwork

Antoni Gaudi- Sagrada Familia

Antoni Gaudi- Park Guell

Key Vocabulary	Definition
Gaudi	a Spanish designer and architect, famous for his work in Barcelona, Spain
mosaic	a picture or pattern produced by arranging together small pieces of stone, tile or glass
running stitch	basic stitch consisting of small, even stitches
texture	the surface quality of a piece of art
malleable	can be pressed into shape without breaking or cracking

## PSHE Year 3 Spring 1 Keeping Safe

### What will I know by the end of the unit?

Listen to your feelings – they are there to keep you safe. It's OK to say no to someone if they make you feel unsafe.	Know the steps when weighing up a risky situation: Stop, take a breath, weigh up the consequences, think, think again, decide.
Medicines can be helpful but also harmful when not used correctly.	Use at least 3 sources to check if information online is real and truthful.
It is against the law to sell alcohol and cigarettes to people under 18.	A healthy diet, exercise, keeping clean and plenty of sleep can keep our body healthy.

Key Vocabulary	Definition
Danger	A danger is a threat to someone in some way e.g stepping out into the road without looking.
Risk	A risk is when someone can weigh up the danger and make a decision about what to do e.g. looking for traffic and only stepping into road when it is clear.
drug	A substance that people take to change the way they think, feel or behave.
Alcohol	The drug found inside drinks like beer, wine and spirits.
Nicotine	The drug inside cigarettes.

Mini Minds:

### Key Dates
