

Year 6 Newsletter Spring 2

Welcome back to the second half of the Spring term. Although this is a short half term, we have lots of new topics to start alongside preparation for SATs week. There will be a Parents' Evening towards the end of the half term to share your child's progress. Please do contact me through Class Dojo if you have any queries.
Mrs O'Reilly

English

In English, we will continue to use 'The Island' to write persuasively before moving to narrative using 'The Journey' as our inspiration. As always, we will be revisiting our grammar knowledge and a range of spelling patterns. In Guided Reading, we will be focusing on the language used in a range of texts.

Maths

In Maths, we will be interpreting graphs and learning more about properties of shape including angles. We will also continue to practice our arithmetic skills including the use of fractions, decimals and percentages.

P.E.

Year 6 will have P.E. on a Monday afternoon. They can wear their PE kit to school on these days: black/grey joggers, red t-shirt and black trainers.

Reading Books

Reading as regularly as possible to an adult can really help your child's progress. We would like to see your child read a minimum of **FIVE** times a week, which will be checked every Monday. Once they have read, an adult should sign and date their Reading Record.

Homework is set every Friday and should be returned by **Wednesday**. Please encourage your child to complete their homework to a high standard.

R.E.

In R.E. our topic is 'What do Christians believe Jesus did to 'save' people?'

Science

This half-term, we will be learning about electrical circuits. This will involve practical investigations to test how different components work.

History

This half-term we are learning about the Vikings. We will begin by finding out how and why they settled in Britain before learning more in a workshop session.
