

## Learning Challenge: Nursery Term: Autumn 2 Where does the day go at night?

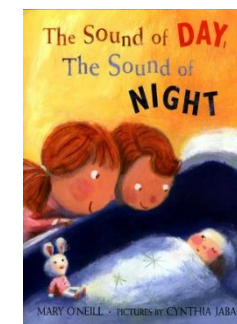

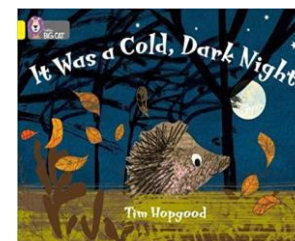

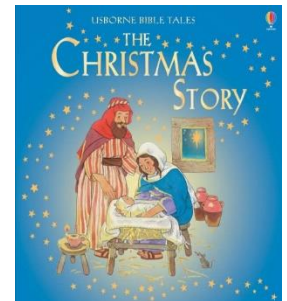

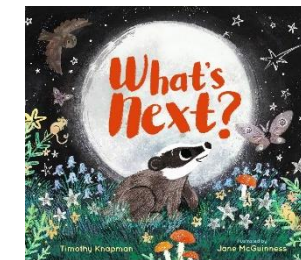

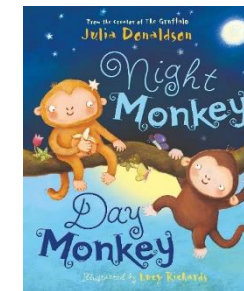

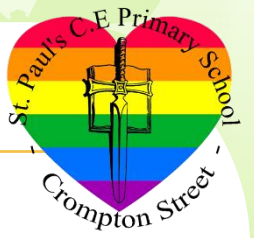

### What will I know by the end of the unit?

We celebrate with fireworks on Bonfire Night.	Bonfire night is where we make bonfires and set off fireworks to remember Guy Fawkes attempting to blow up the Houses of Parliament. We need adult supervision on Bonfire Night to keep us safe.
I am awake in the day and asleep at night time.	When it is night time we go to sleep and in the day we are awake. We do different things at night time such as putting our pajamas on and reading a bedtime story.
Night time is dark and we can see the moon and stars.	Night time is different to the day because it is dark. We can no longer see the sun but we can see the moon and the stars in the sky.
Nocturnal animals are creatures that are awake at night.	Animals that come out at night time are called Nocturnal animals. They sleep through the day and then wake up at night to find food.
There are lots of different noises in the night time.	At night we can hear owls hooting, or crickets. You may hear more noises depending on where you live. If you live in a big city you will hear more noises.
The moon is not part of our planet and we need a rocket to get there.	The moon comes out at night and it provides us with a small amount of light. Astronauts travel in rockets to the moon.
Christmas is a time of year where we celebrate Jesus' birthday.	At Christmas time, we celebrate Jesus' Birthday by giving presents, spending time with our family, singing carols, going to Church and praying to God. We may also have a Christmas tree.
