

School

The school will do its best to:

- Provide an environment which has been risk assessed in response to the COVID-19 infection and Local Authority Risk assessment
- Adhere to the social distancing rules as set out by the government as much as we reasonably can;
- Provide a curriculum that meets the needs of your child's well-being, mental health and academic needs;
- Contact parents/carers immediately if your child displays symptoms of COVID-19;
- Inform you if staff or children in your child's 'bubble' test positive for COVID-19 as this will mean you will all need to self-isolate for at least 14 days.
- Continue our clear and consistent approach to rewards and sanctions for children as set out in the Behaviour Policy as well the expectations outlined in this agreement;
- Communicate between home and school through email, class dojo, newsletters, text, phone calls and the school website.

Parent

Parent/Carer.....

To help my child at school, I know and understand that:

- If my child, or anyone in my household, shows symptoms of COVID-19, I will not send them to school and we will self-isolate for 14 days as a family, I will get them tested and let the school know as soon as possible via telephone;
- If my child shows symptoms of COVID-19 at school, I will collect my child from school immediately. I will get them tested and I will let the school know as soon as possible via telephone;
- On my commute, and when dropping my child off and picking them up, I will adhere to the 2 metre social distancing rules and stick to the school given timings
- If children in Y6 are coming to and from school I understand that if they are found not to be social distancing they will need to be dropped and picked up
- My child will remove any face mask they may be wearing, placing disposable ones in the bin or fabric ones to be taken away by the parent.
- My child will only bring a water bottle into school with them daily; Sun cream can be brought and left in their individual boxes.
- I will not be allowed into the school without a pre-arranged appointment –appointments can be made via telephone or email;
- I will adhere to the guidance contained on the back of this agreement.
- I will inform the school of any changes to parents/carers and emergency contacts details and ensure these are up to date.
- I will follow social distancing rules at all times, and understand if there is evidence that I have not followed social distancing, my child may lose their place at school.
- If my child is deemed unsafe, he/she will be sent home and cannot return to school until they can be safe.

Child

Child's name..... Class.....

I will do my best to:

- Follow the Bubble rules that keep me safe
- Wash my hands or use hand sanitiser as soon as I go into school and when I come in from outside play.
- Tell an adult if I feel unwell;
- Not bring things into school from home, or take things home from school;
- Only use the equipment in my pack.
- Not mix with any other children in the school;
- Only enter and exit the school building from the designated door;
- Follow the catch it-bin it-kill it rules coughing and sneezing into elbow or tissue
- Regularly wash my hands using soap and water for 20 seconds and especially when directed to by the teacher.
- Follow the rules at all times to maintain the safety of myself and others
- Follow these expectations and know that if I don't, I may be sent home and will not be able to come back into school until I can be safe.

Date.....

- Children must not be sent in if they are at all poorly in any way. Non-attendance will not be penalised at this time.
- **If your child becomes ill in school they will be isolated immediately and will be supported by a member of staff (who may or may not need to wear full PPE, dependent on symptoms and comfort level needed). Your child and family members will need to be tested and confirm a negative test before they can return to school.**
- If your child or a member of your family have symptoms of Covid 19- a new persistent cough or a temperature (please see Public Health England Guidance on this) then you must all self-isolate for 14 days. Please inform school, so that we can inform others and tests can be ordered. We are being equally stringent with all staff members.
- **If we have a confirmed Covid 19 case in school, then that bubble would need to be closed and staff and all children (and their respective families) would need to self- isolate for 14 days, or undertake a test. The bubble would be thoroughly cleaned.**
- If staff absence levels become too high, we may well have to close until staffing levels are adequate with staff not moving between bubbles. We are a small school and so only have so much capacity in this.
- **Two metre social distancing must be maintained by all adults at all times.**
- Packed lunches should be in a plastic disposable bag, School dinners will be served in the classroom.
- **Children should only bring in coats and a water bottle that can be taken home daily to wash and return. Reading books will not be sent home and items from home should not be brought into school.**
- Please check your child's medicines are up to date by contacting the school office. This is parental responsibility.

- Children can wear their own clothes and these should be changed as regularly as possible. Trainers/comfortable shoes should be worn as changing for PE will not be happening currently. We have opted for non-uniform as we realise that many of your children may also have outgrown their uniform, shoes etc.
- **Suncream should be labelled and put into children's boxes in the classroom.**
- Mobile phones should continue to be left at the office, however will be placed in a plastic bag and these are left at your own risk.
- **Children will be taught in bubbles, with 2 key adults or 3 where part time staff are employed, and will have designated facilities. Bubbles will be self contained units and will not mix with other bubbles. Children within the bubble will be able to socialise whilst maintaining social distancing e.g. children working at desks on their own with own equipment and books. As numbers increase we will need to assess how many more children we can 'accommodate' to maintain some form of distancing to ensure safety. This may impact upon the provision we can offer in the future and the current provision will continue to be reviewed and may need to be amended in line with guidance. We will keep you updated.**
- If your child's hands are sore from washing, children can bring individual hand moisturisers labelled which can be left in their individual boxes for use after sanitising. These are not to be shared.
- **Please be aware alcohol based hand sanitiser will be in use during the covid pandemic. Children will be supervised in its use and sanitiser stations will be placed in areas where there are no immediate hand washing facilities. THEY ARE NOT A REPLACEMENT FOR HAND WASHING**

COVID-19 Home School Agreement

Child's name.....

- Children will only be admitted into school on completion and return by email of the Covid19 partial opening form attached as well as with a copy of this agreement signed to ensure all requirements are clear.
- Electronic signatures and a return email is adequate for confirmation.
