Headteacher's Newsletter

Spring Term 2022

Happy New Year

We warmly welcome our children back to school and hope you had a peaceful Christmas. It has been lovely to see our children return ready to learn and eager to show their best work to their teachers. We have lots of events coming up this term and your child's class teacher will share their newsletters with you to show you what the children in their class will be doing.

This half term, we will be focusing on the Christian value of **Creation**. In our first assembly of the year, I discussed with the children using this time to make a fresh start and making positive choices.

COVID-19

All children and staff have been reminded of our protective measures to keep us safe. These include regular handwashing and 'catch it, kill it and bin it' strategies to keep all members of our school community safe.

Y5 - Robinwood

Planning is well underway for the Y5 residential to Robinwood in March 2022. Based in Todmorden, Robinwood offers an action-packed, two-night stay that the children will love.

Please speak to Miss McLoughlin if you require any further information about this.

Punctuality and Attendance

It is vitally important that your child arrives for school at the specified time and attends regularly when it is safe to do so. Staff are working very hard to ensure all children progress and achieve their best and good attendance is key to this. If your child is going to be absent for any reason, please remember to telephone the school office before 9.15am.

Children's Mental Health Week

This year's theme is Growing Together. Children's well-being is our top priority, on the week beginning 7th February, we will hold a variety of activities to promote children's mental health. Activities will cover fitness and healthy eating as well.

Keeping in Touch

We are trying to keep parents/carers as informed and involved as possible and are continually updating our school website www.stpaulscrompton.org.uk also our Class Dojo and Twitter account. Your child's class teacher will add any exciting learning to these sites, so you can log on to see what they have been up to - you may be surprised! If you have any ideas or suggestions as to how we can improve communication further, please let us know.

Thank you for your continuing support,

Ms R Knipe

Headteacher
