

Year 1 Maths – Summer 1

Counting

Count to and across 100, forwards and backwards, beginning with 0 or 1, or from any given number

Count in 2s, 5s, 10s

Hook for learning:

Making sandwiches – fractions.

Arrays – chocolate bar squares.

Non-negotiables:

Count forwards and backwards to 100

Add and subtract 1 digit numbers to 20

Number and Place value

Add and subtract 1-digit and 2-digit numbers to 50, including zero

Represent and use number bonds and related subtraction facts within 20

Solve one-step problems that involve addition and subtraction, using concrete objects and pictorial representations, and missing number problems such as $7 = ? - 9$

Represent and use number bonds and related subtraction facts within 20

Add and subtract 1-digit and 2-digit numbers to 20, including zero

Solve one-step problems that involve addition and subtraction, using concrete objects and pictorial representations, and missing number problems such as $7 = ? - 9$

Read, write and interpret mathematical statements involving addition (+), subtraction (-) and equals (=) signs

Compare and order numbers from 0 up to 50; use and = signs (Recognise the place value of each digit in a two-digit number (tens, ones)

Recognise the place value of each digit in a two-digit number (tens, ones) (

Make arrays and use the language of rows and columns. Multiplication and Division by 2s, 5s, 10s.

Fractions – Finding and making a half, a whole and a quarter. Explore by making sandwiches.

Time

Sequence events in chronological order using language.

Recognise and use language relating to dates, including days of the week, weeks, months and years

Tell the time to the hour and half past the hour and draw the hands on a clock face to show these times.

Calculation in Arithmetic skills

Counting in 2s

Counting backwards from different 2 digit numbers from 100

Counting in 5s

Counting forwards to 100 from different starting points

Counting in 10s

Learning Challenge links

Titanic – first, second third class.

Number words

Exceeding Expectations

Can add and subtract within 100

Can solve 2 step number problems involving addition and subtraction

Can add by adding tens and units.

Can understand and manipulate place value within 100.

Meeting Expectations

Add by counting on. Find & make number bonds to 20. Add by making 10.

Subtraction – Not crossing 10 Subtraction – Crossing 10 Related facts for addition and subtraction.
