Mrs O'Reilly

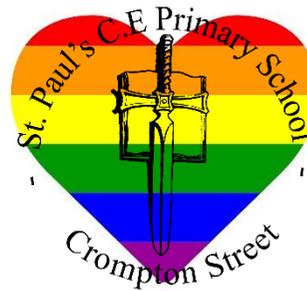

P.E.

Year 6 will have P.E. on Monday afternoon. Please have your P.E. kit in school everyday as we may be doing extra sessions outside.

Reading Books

Reading as regularly as possible to an adult can really help your child progress. We would like to see your child read a minimum of **FOUR** times a week, which will be checked every **Monday**. Once they have read, the adult should sign their Reading Records.

Homework

Homework is set every Friday and should be returned by **Wednesday**. Please encourage your child to complete their homework to a high standard.

English

In Writing lessons, we will be using a film clip as a stimulus for a piece of narrative using all the skills we have learnt this year. We will also be completing non-fiction pieces linked to our topic work. In Reading, we will be looking at the opening of 'Kensuke's Kingdom' and comparing book themes. We will also be continuing with our class text, 'Artemis Fowl'.

Maths

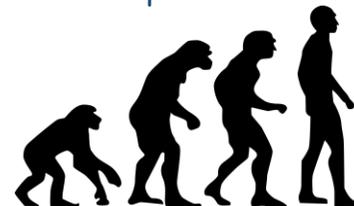

In Maths, we will be continuing our work on algebra and patterns. We will also be looking at the Mayan number system. This will be alongside continuing to practice our arithmetic skills with the 4 main operations ready for High School.

R.E.

This half-term our topic is titled 'Life as a Journey' which considers our journey so far as well as the life of Jesus.

Science

This half-term, we will be continuing our topic on plants and animals with learning about evolution. This will include finding out about how organisms adapt to their surroundings.

History

This half-term, Year 6 will be learning about the Mayan civilization including finding out about everyday life and the Gods they worshipped.
