Year 3 Mathematics Yearly Overview
 whole curriculum is covered.

|  | Autumn 1 | Autumn 2 | Spring 1 | Spring 2 | Summer 1 | Summer 2 |
| :---: | :---: | :---: | :---: | :---: | :---: | :---: |
| Week 1 | Number and Place Value, within 100 and bridging 100 | Number and Place Value, compare and order numbers | Addition and Subtraction, facts for 100 (multiples of 5 and 10) | Addition and <br> Subtraction, subtraction written methods 2 | Multiplication and Division, multiplication mental \& written methods, \& division as sharing \& grouping | Measure, compare, add and subtract - length, mass, volume/capacity |
| Week 2 | Number and Place Value, hundreds, tens and ones | Number and Place Value, Finding 1, 10 and 100 more and less | Addition and Subtraction, facts for 1000 | Addition and Subtraction, addition written methods 1 | Multiplication and Division, division mental and written methods | Money, add and subtract with change |
| Week 3 | Number and Place Value, multiples of 100 | Number and Place Value, position between multiples of 10 | Addition and Subtraction, subtraction: take away and difference | Addition and Subtraction, addition written methods 2 | Fractions, division and fractions | Number and Place Value \& Time, analogue clocks, roman numerals, 12 and 24 hour, duration |
| Week 4 | Number and Place Value, read and write numbers to at least 1000 | Number and Place Value, rounding to at least 1000, to the nearest 10 | Addition and Subtraction, addition and subtraction mental methods 1 | Addition and Subtraction, estimation and inverse | Fractions, fractions and decimals | Shape, 2D and 3D shapes |
| Week 5 | Number and Place Value, partitioning | Number and Place Value, rounding to at least 1000, to the nearest 100 | Addition and Subtraction, addition and subtraction mental methods 2 | Multiplication and Division, multiplying by 10 and 100, and arrays | Number and Place Value \& Fractions, compare \& order numbers, with one decimal place | Measure, perimeter of 2D shapes |
| Week 6 | Number and Place Value, compare numbers | Number and Place Value, estimating | Addition and Subtraction, subtraction written methods 1 | Multiplication and Division, inverse, and doubling to 100 and halving | SAT's Week <br> Fractions, Fractions of Amounts | Shape, angles and lines |
| Week 7 |  | Number and Place Value, number sequences |  | Multiplication and Division, doubles of multiples of 50 to 500 |  | Statistics, interpret and present data and solve problems |
